Locals Supporting Locals...

FEATURED ARTICLE

Carss Park Shopkeepers Set Up Opportunity Fund for Local School Kids

Your local shopkeepers believe that our kids are our future. In the current tough times there are some kids at Blakehurst Public School who are unable to participate in some school activities due to their parents financial position. We have set up an Opportunity Fund that teachers at Blakehurst Primary will be able to access to help some of these kids. We will be providing \$200 to the fund each term in 2012.

We strongly believe that through these tough times we should all come together and support one another and render each child the opportunity to excel regardless of their families financial position. We look forward to being able to report in future issues the sorts of activities which have been supported. The fund will be made available to Mr Laing, the Principal, to pay for activities for children.
