Locals Supporting Locals

**FEATURED ARTICLE**

## Thanks from Blakehurst Public School! Local community support increases for local businesses

In our last newsletter we let you know about the Opportunity Fund your local shopkeepers have set up for Blakehurst Public School. With this edition we will be making our second contribution to the fund which now has \$600 to assist our local kids to participate in activities they otherwise would miss out on. This is just a practical way in which Locals can support Locals. With your support we can continue with the valuable assistance to our children. In these tough times lets all support each other. Take advantage of the convenience of shopping at your Local Village where people know who you are and care about you and your families.
